

Name: HIGH-EFF RESPIRATOR FFP3 NR W/VALVE

Code: FA1442

FA14 RESPIRATORY PROTECTION - DISPOSABLE FFP3 MASKS

Description

Disposable respirator with exhalation valve. The integral seal on the entire inner edge provides insulation from the outside. The large exhalation valve is used for heavy-duty work. The large cup surface area guarantees excellent filtration capacity. The large adjustable elastic bands allow a very precise fit to the face. Latex free.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
