Name: TRICOPREN 789 GLOVE	Code: MA015800	MA01 GLOVES - OUT OF LIST
----------------------------------	-----------------------	----------------------------------

Description

Chloroprene gloves with wool lining and seamless palm profile. Equipped with chloroprene coating, length 40 cm.

- The special chloroprene formula guarantees superior chemical resistance and dexterity.
- Broad chemical resistance and perfect dexterity even in cold environments. It allows longer working sessions without fatigue.
- Excellent insulation properties in cold and hot applications. The wool lining ensures good sweat management.
- Provides more protection thanks to the long cuff.
- Ensures a secure grip when handling oily and wet parts.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 as amended.
