Name: EXOTIC low shoe	Code: MB3210Z9	MB32 FOOTWEAR SIR399 SERIES
------------------------------	-----------------------	------------------------------------

Description

Low footwear, metal free, with Nano fibreglass toe cap and NWT midsole - ultralight non-woven fabric, PS type. Equipped with meshupper and extra-breathable polyurethane. It features anatomical Air-mix insoles made of multi-punched EVA, with variable thickness anti-shock properties: 3 mm at the front and 10 mm in the heel area. They help to relieve foot fatigue and, being interchangeable, guarantee cleanliness and hygiene. Antistatic. The 3D-TEX polyester honeycomb weave lining with extra protection in the heel area allows ventilation of the foot and reduces sweating. The sole made of the latest generation EVA Super Foam/CPU, an ultra-light polymer (SLP), offers resistance and extreme elasticity.

Technical characteristics:

- Tab with dirt-repellent bellows;
- Reinforcement on heat-sealed, seamless, lace crown;
- Slim and ergonomic profile nano toecap;
- Toe reinforcement for increased shoe durability;
- The superfoam EVA midsole offers lasting comfort, which is especially appreciated in case of prolonged use.
- NWT midsole, ultra-flexible and lightweight;
- Ultra-light polymer outsole.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 as amended.
